How to share an ePortfolio with your course group members

1. Please make sure that you have already joined a course group.

2. Login to Mahara and click the ‘Portfolio’ tab.

3. Click the edit icon (📝) of a particular page to go into the edit page mode.

4. Click the ‘Share page’ tab in edit page mode.

5. Select page(s) and the group you would like to share the page(s) with.
6. The selected page will be shared with your group members.
